Roberto Coin "Chic and Shine"
Earrings and Bracelets in 18k
Yellow or White Gold

Hot, New Italian Designs in Diamonds and Gold

Designer Roberto Coin perfects the ultimate Italian art of creating jewels. The bold 18 karat styles are timeless and affordable.

Each collection features a hidden round ruby said to possess magical

powers when the ruby is worn near the skin.

This dedication is a secret

gift of good wishes to every woman

who wears one of his exclusive creations. The line features "Yunique" styles like

Appassionata, a woven gold and diamond design and among others, the eye catching *Elefantino*. Please visit robertocoin.com to

view the entire collection.
