The clocks have been moved ahead, the calendar says it's spring, and we are looking forward to this transition from winter into summer. Springtime is seen as a time of growth, renewal, new life being born, and the cycle of life beginning once again. At Gassers, new merchandise is arriving to refill our cases after a busy Christmas season and our first Trunk Show of the year is almost here.

Roberto Coin Trunk Show

Monday, March 31 – Saturday, April 5

Yellow gold is being seen everywhere from the runways to the fashion magazines.

And nobody does yellow gold better than Roberto Coin. Experience the legendary creations of this Italian designer. These world-renowned designs are made in 18 karat gold and diamonds and are instantly recognizable as everlasting symbols of quality and design.

In 1996, Roberto Coin began marking his collections with a small ruby hidden within each piece. This is a dedication of a secret gift of good wishes to every woman who wears one of his creations.

Visit Gasser's to view this luxurious collection and register to win a pair of 18 karat white gold earrings!
